REPRESENTATIVE PROJECT EXPERIENCE

Tetra Tech, EMI, Denver Colorado – Wrote a Spill Prevention Countermeasure and Control Plan and a Storm Water Pollution Prevention Plan for mining operations.

Habitat Management, Inc., Denver, Colorado – Wrote and completed a Stormwater Management Plan for an oil permit. Provided support for stream channel restoration in southern Colorado.

Water Resources Division, U.S. Geological Survey, Denver, Colorado – Supported research on the effects of applying biosolids to land.

Water Rights Branch, U.S. National Park Service, Fort Collins, Colorado – Evaluated and prepared supportive documentation of Arizona water rights in the vicinity of Saguaro National Park and Montezuma National Monument. Co-authored a summery report on Arizona water law and water rights in and adjacent to Saguaro National Park. Assisted with field measurement of riparian vegetation in Black Canyon National Park and prepared documents for court.
